

HOW TO CHOOSE THE PERFECT STORAGE UNIT

1

TAKE AN INVENTORY OF YOUR ITEMS

How many large items will you be storing and how many boxes will you need?

2

USE ROOMS IN YOUR HOME AS A GUIDE

Will your items fit in a large closet or fill up your living room?

3

TAKE ADVANTAGE OF THE VERTICAL SPACE

The majority of our units offer 10 foot ceilings, so consider stacking items or standing furniture on one end to take full advantage of vertical space.

4

USE OUR STORAGE UNIT SIZE GUIDE

Once you figure out the right size room in your home, use our storage unit size guide to select the unit that's closest in size.

5

DECIDE IF CLIMATE-CONTROL IS RIGHT FOR YOU

Climate-control provides consistent temperature and humidity levels year round., ideal for household items like clothing, furniture, and artwork.

6

CALL OR VISIT ANY OF OUR LOCATIONS

Our experienced property managers will be able to answer any questions you may have and can also show you the options before you make your selection.
